

Bishop's Benefit for St. Vincent's raises \$61,000

The Bishop's Benefit for St. Vincent's was Sept. 10 at the home of Nick and Debbie Rossi.

The dinner and auction raised \$61,000 for programs at St. Vincent's, which includes feeding more than 400 people a day and providing emergency housing for families with children.

Some of the auction items included an abalone dinner for 12 at the Bishop's home, sporting-event tickets and trips to Cabo San Lucas, Mexico, and Costa Rica.
