WESTERN NEVADA SUPPLY BREAKS GROUND ON NEW LUXURY SHOWROOM

What: Groundbreaking on Western Nevada Supply Luxury Showroom

When: Monday, January 4
9:15 a.m.

Where: Western Nevada Supply
950 South Rock Blvd.
Sparks, NV 89431

Who: Western Nevada Supply President, Rick Reviglio
City of Sparks Mayor, Geno Martini

Details: Join City of Sparks Mayor Geno Martini and Western Nevada Supply Monday, Jan. 4 at 9:15 a.m. for the groundbreaking on the new luxury showroom – Inspire Kitchen and Bath Showroom.

“We are so proud to continue to make improvements and invest in our Blue Team headquarters in Sparks,” said Reviglio. “We can’t wait to introduce this beautiful, state-of-the-art showroom to our community.”

The showroom is the final step on a two-year long process to update the building, which has included new signage, work on the façade and the addition of a new paint division. The new 8,000-square-foot showroom will feature working showers and faucets in addition to many other luxury features.

The building was designed by Don Mackey Architecture and will be built by Dianda Construction. The build is estimated to be completed in eight months.

About Western Nevada Supply

Western Nevada Supply was proud to celebrate its 50th anniversary on February 3, 2014. With two men, one vision and hard work, a business was born. More than fifty years later, that business has grown into a

company that serves contractors & builders in two states. Adhering to the philosophy "the needs of the customers, employees, and the community are upper-most at all times." Western Nevada Supply has come to be known as the "Blue Team" as they pride themselves on the team concept. The Blue Team offers a diverse line of products including plumbing, water works, HVAC, irrigation, hydronics & solar, industrial (PVF) along with many state-of-art kitchen & bath showrooms. With a philosophy of having the most qualified people in the industry, a large inventory and truck fleet, longer hours of service and a give back to the community spirit, the Blue Team is able to provide a level of customer service that can not be matched.
